

What is the validation period of my certificate or its expiry date? How to renew it?

The subscription and certificate service life associated with your device is for 3 years. You will be alerted by your applications (i.e.. banks, State or LuxTrust) of its imminent expiry and be prompted to renew your certificate. LuxTrust sends 3 email alerts.

If in any doubt, please consult the exact expiry date on the following page: <https://test.luxtrust.lu>

The 3 renewal procedures are detailed here: <https://rekey.luxtrust.lu>
